

QUICK-CHANGE MULTI-ACCESSORY DISC

TURBO CHARGE YOUR TURBO GRINDER!

One Machine Multiple Uses. Multi-Accessory Disc fits any TG-10 Turbo Grinder with a Rigid Head.

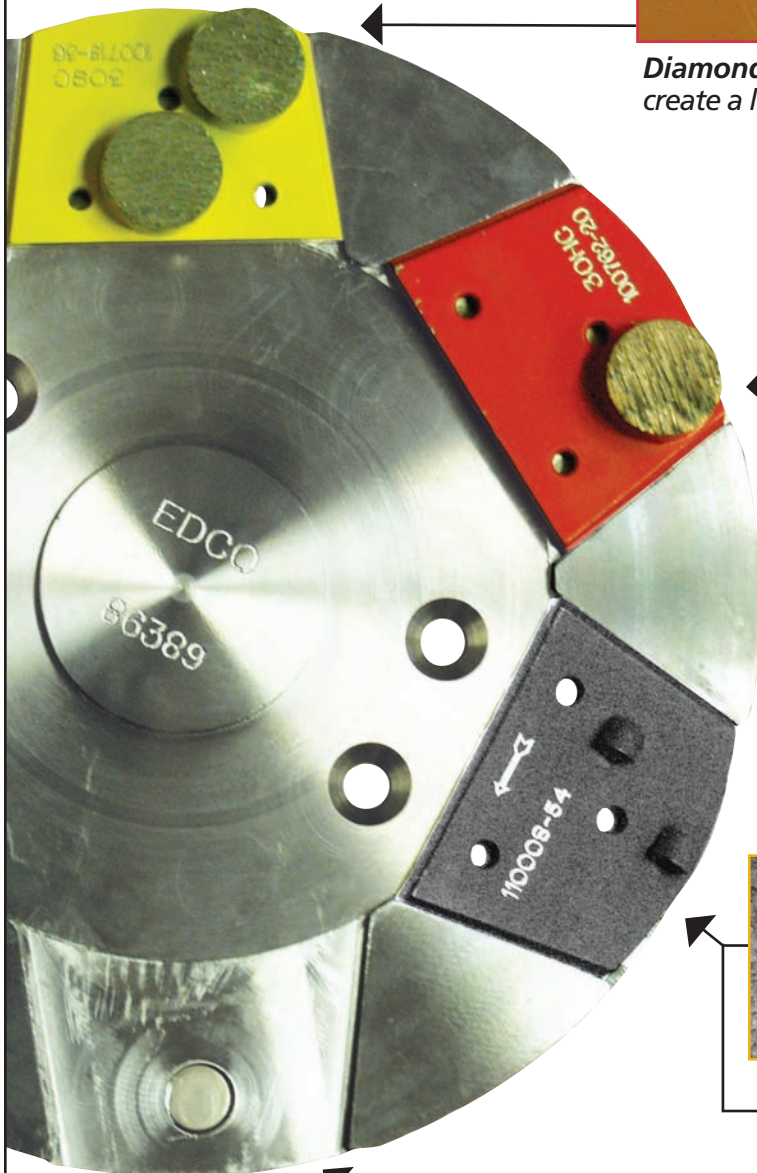

DOUBLE Diamond Dots:

GENERAL PURPOSE GRIND

Removes General Purpose Epoxy, Mastics, Thinsets, Water-proofing Coatings and more.

Diamond Dots remove concrete and create a level surface without gouging.

SINGLE Diamond Dots:

AGGRESSIVE GRIND

Aggressively Grinds Concrete and Removes Thick Epoxies, Weather-Proofing Membrane and Other Coverings.

PCD Accessory:

EXTREMELY AGGRESSIVE REMOVAL

Digs through Industrial Strength Coverings, Water-Proofing Membrane, Thick Epoxies and much more. Leaves a textured concrete surface.

MAGNETIC Quick-Change Technology:

CHANGE ACCESSORIES IN LESS THAN 30 SECONDS

Accessories Slide-On and Off Magnetically, No Bolts

EASIER • FASTER • LONG LASTING

*Always rotate your accessories every 2-4 hours to prevent uneven wear.
